Dear Gillian,

I would like to take this opportunity to express my gratitude and appreciation for the remarkable job that you did facilitating the seminar *nurturing goodwill amongst your beneficiaries*. Our participants greatly benefited from your knowledge and I myself become more enlightened about the emotional issues surrounding the transfer of wealth from one generation to the next.

I was very impressed by your ability to engage the audience and put all participants at ease. Your sense of humour is an asset when dealing with a topic that is emotionally charged and sensitive. After the session I was approached by many participants who expressed how much they enjoyed the afternoon and found it worthwhile.

I am very proud to be one of your partners and I look forward to working with you in the near future.

Best regards,
