To Whom It May Concern:

Stefano Gallo Maiorana, Warren Shepell Facilitator, presented a one hour seminar for the Executive and Administrative assistants of the Bell Canada Legal group on Friday, September 29th, 2006. The seminar was titled "Creating Balance". Stefano did a remarkable job of capturing his audience's attention and conveying the message about Work/Life balance.

I was very impressed by Stefano's ability to engage everyone who was present for the seminar. The hour seemed to zoom by without any one paying attention to the time. After the session, I was approached by many people expressing how much they enjoyed it and thought that it was worthwhile.

Overall, Stefano is a very conscientious and able facilitator. He would be an asset to any employer and I strongly recommend him for any endeavour he chooses to pursue. I look forward to working with Stefano again in the future and I have already recommended him to my colleagues.

Sincerely,
